

ASME-PIEAS Chapter organized an introductory event "INITIUM"

ASME-PIEAS Chapter organized an introductory event for students of Batch 22-26 by the name "INITIUM". Various technical activities, study tours and workshops of the society held at PIEAS were briefly introduced to the students. The students were also provided with a platform to take part in engaging technical activities. Moreover, guidance about national and international competitions such as Shell EcoMarathon and TeknoFest was also discussed in detail and multiple upcoming opportunities were presented before the audience. The event was supervised by respected faculty members from the Department of Mechanical Engineering.
